University Projects

Effect of Median Age on Total Health Spending

San Luis Obispo, CA

California Polytechnic State University, San Luis Obispo

Feb 2023 - Mar 2023

- · Analyzed data provided by gapminder on every country from 1994 to 2009, as well as predicted values until 2099.
- Recognized the relationship between median age of a country and the total health spending per person(USD) in that country.
- Cleaned raw data, vizualised, and analyzed data in R.
- Technical Skills: R, Quarto, GitHub.
- Soft Skills: Time Management, Teamwork, Report writing.

Reaction Time Testing

California Polytechnic State University, San Luis Obispo

San Luis Obispo, CA Jan 2023 - Mar 2023

- · Collecting data from fellow Cal Poly students to determine if reaction time changed depending on temperature.
- Analysing data to determine if temperature had an effect on reaction time.
- Organized a report outlining the methods, materials, results, analysis and data analysis.
- Technical Skills: JMP, Excel.
- **Soft Skills:** Report Writing, Leadership, Teamwork.

Skills_

Programming Python (Pandas, NumPy, etc.), R(ggplot, tidyverse, quarto, RMarkdown, etc.), JMP

Miscellaneous LTFX (Overleaf/R Markdown), Tableau, Microsoft Excel, Git.

Leadership Captain of club and high school swim teams, Web Editor for Viking Magazine

Foreign Language Mandarin

Interests

Music

I took piano lessons for 10 years and passed the Advanced Level of the CM test. Now, I enjoy playing piano for enjoyment and listening to music.

Swimming

I have been involved in swimming for 15+ years. I have been swimming club since I was 4 and swam varsity for 4 years in high school. I am currently involved with the Cal Poly Swim Club.
